

North Carolina Dental Assistants Association Spring 2017

Greetings from Your President.....

Happy Spring! What a beautiful time of the year. Everything is coming alive! As we see renewal all around us, I hope you too are feeling renewed! This is what it takes to stay committed to our purpose as the North Carolina Dental Assistants Association. Our Annual Session in Myrtle Beach is fast approaching and there is much preparation that goes into planning for this state meeting. Much information is included in this MIRROR to help you prepare for this meeting so please take time to read through each article. I want to thank Susan Wilson for the great job she does as our editor and also to Kristy and Ed Eddleman for getting it to you online.

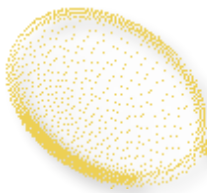

“Anchored in Purpose and Passion” continues to be the theme for my term as your president. We must stay anchored in our commitment to provide quality education to our membership and to promote the profession of dental assisting to the highest level. We want to provide the very best care that is possible for our patients and in order to do that we must stay focused and equipped. The North Carolina Dental Assistants Association strives to do just that. We have had excellent Continuing Education courses this year. Dr. Kristen Miller just presented a 3 hour CE on “Medical Consultations and the Emergency Patient” at our Spring NCDAA Board Meeting last week in Winston-Salem. In the Fall we gathered with the rest of 4th District in Asheville, for a full day of continuing education with some great speakers and a wide range of topics. Our hope is to meet the needs of all our assistants, whether you work in the front office, the clinical area, as an educator, or in sales. This year we have made a genuine effort to reach out to our educators and students at our accredited schools. This effort will continue into 2017-2018. I have been able to visit a number of our schools and meet both students and educators. We have also been able to hold our meetings at several of the community schools so students could participate.. I hope to encourage them to become a part of their professional organization and become active in our association. We need to encourage this new generation of assistants and get them on board. Our future is in their hands. Sharing my passion for dental assisting is easy for me. After 46 years, it becomes almost second nature. I want them to see this as a career and not just a 9 to 5 job. The benefits are obvious.

I look forward to seeing you at Annual Session. Please stop by our registration table and say hello. Pick up a copy of our handbook and join us for our Business Meeting and House of Delegates on Friday afternoon at 2:00 in the Eton Room in Embassy Suites.

Best Regards,

Unfinished Business:

1) Disbanding of Durham-Orange DAS - Susan Darst, last president; have not met in several years, not met ADA requirements, money in treasure \$1800.00, need to know what to do with money when disbanded . Dianne will try to contact either Susan Darst or Susan Wilson or ADA for a copy of their Rules of Governance.

2) Revision of ByLaws

New Business:

1) Since officers now hold office for 2 years, I feel that the President should be the one to select the theme or title for Annual Session and coordinate with the Program Chair for the second year of her term. – Need to update in Bylaws

2) Kristy has suggested that we order magnetic name tags for the officers with our new logo since we hold office 2 years. She has checked on prices and looks like a cost of \$9.99 each with \$10 shipping regardless of how many we order. It would run about \$100 for all officers, parliamentarian, and advisor.

-Past presidents to get name tags that attend meetings if paid by them (Linda Clark offered to pay for name tags for current officers)

3) On our NCDAA Facebook page, we have some temp agencies listing jobs available. As you know, Kristy also has jobs for dental assistants available, but has not posted anything on NCDAA's facebook page. Her question is, do we want to allow this? Please discuss and make a decision.

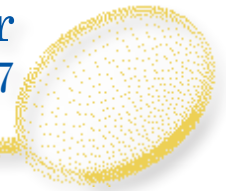

If we do not want to allow this, she can block the people who are posting jobs.

- NCDAA would appear to be endorsing and be affiliated with agencies posting with these posts.
- Can restrict who posts on page and only administrator can post
- We will need to discuss this conversation with Kristy.

4) ADA 4th District Regional Educational Meeting, Nov. 5, 2016
Asheville-Buncombe Tech Community College, Asheville.

Opportunity for 6 CEU's. Great speakers.

Cost is for : **members:** \$40 half day, \$50 full

A themed reception will be held at the Holiday Inn beginning at 6:30pm on Saturday. Come dressed in the fashionable attire of the year you became a dental assistant or joined the ADAA. This can be street attire or clinical. Prizes will be awarded. We need to decide how we want to promote this. Do we want to send out brochures? Post on our websites, NCDAA and ADAA 4th District? Have Kristy send out an email blast to membership? -Posted on Winston Salem; will ask Kristy to send out mass email
-sent to Shelly Dates to send out to NCDS office (Prissy Allen) to send info to dentists.

We appreciate so much the services Dan has provided these many years. Linda Clark had met with Nanette and brought the books to this meeting. Joyce Baker has talked with an accountant in Conover, N. C, Tim S. Barringer, and he has agreed to audit the financial books of NCDAA.

Linda Clark moved that we secure Tim Barringer to Audit the NCDAA Treasurer's books. Kristy Eddleman second. Motion Carried. President Gwaltney asked Joyce Baker to take the books to Mr. Barringer.

President Gwaltney said that Dr. Fernanda Perry, from Sandhills DAS is willing to accept the position of Assistant Secretary, if Vicky Wesner would move to the Secretary position. Linda Clark made a motion that NCDAA send President Gwaltney to Worcester, MA, to attend the reception for ADAA President, Virginia “Ginny” Cairrao. She noted that President Gwaltney had put forth a lot of effort and time traveling to various areas of the state visiting dental assisting schools and promoting NCDAA, therefore she felt like she should be the one to represent NC at the reception. NCDAA Awards for 2017-2018

Once again NCDAA is busy preparing for Annual Session in Myrtle Beach, S.C. One of the highlights of Annual Session is the presentation of awards. Please see the list of awards and consider nominating a dental assistant for these awards.

To allow enough time for the nominations to be considered before annual session please return your nominations to me before April 30, 2017. I really encourage you to take this opportunity to recommend those deserving dental assistants who do so much for this great profession. If you have any questions contact me by email or phone.

Please remind the student members in your local societies to apply for the scholarship awards given each year. Their instructors should have the information. I look forward to hearing from you and seeing you at annual session.

The Edna Zedaker Loyal Assistant Award, sponsored by the Past President's Council, will be presented to the member of NCDAA who submits the longest record of consecutive employment, with one employer, provided she/he has not previously received the award. The term of consecutive employment shall refer to an assistant actually employed by, but not married to her employer. A notarized statement giving the date of original employment and stating that she/he has been a member of NCDAA for at least 2 years and must be signed by her employer and the President and Secretary of her local society. It must be 2 consecutive years just prior to application of the award, that she/he has been a member of NCDAA. The recipient of this award does not have to be present at Annual Session to receive this award.

The William H. Oliver Achievement Award, sponsored by Linda W. Clark, will be presented to the member, who in the opinion of the Executive Board has done the most outstanding work for NCDAA and for dental assistants.

The Ethel Earl Achievement Award, sponsored by the family of Faye J. Watkins will be presented to a member of NCDAA, not currently serving on the Executive Committee, who in the opinion of the Executive Board has done the most outstanding work for the Association and for dental assistants.

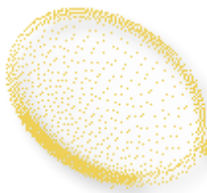

NCDAA Local Society Educational Program Award will be presented to the local society submitting the best educational program for at least six regular meetings of the current year.

The Edna Zedaker Scholarship of \$250.00 will be presented to a student enrolled in an accredited Dental Assisting Program. The selection will be made by the Scholarship Committee.

The Faye J. Watkins, CDA, Scholarship of Merit, sponsored by NCDAA, will be presented to a student member of NCDAA who attends an accredited Dental Assisting Program in the state of N.C. The student must exhibit professionalism, leadership qualities, a commitment to the profession of dental assisting and a commitment to community service. This award is in the amount of \$500.00.

NCDAA Membership Awards, in memory of Glenda Hobbs, will be presented to the ADAA member/members with the longest number of years of continual membership in ADAA. An award will also be given to the newest member/members of ADAA, not including students. Please help us locate you! If you think you may qualify for one of these awards, please contact me prior to April 30, 2017.

Sincerely,
